Chief Executive Officer & Founder- Mrs. Gilmore, Doctoral Candidate

Founding Principal- Dr. Mak Gaines

It is with great enthusiasm that I write of the GAVPAA STEM Way—a cutting edge, reimagined, innovative Academy that is committed to “Opening Schools, and Closing Prisons.” Thank you for becoming one of our “Founding Families” and entrusting us with your **ACHIEVER**.

An **ACHIEVER** is defined as a person who achieves a high or specified level of success. Thus, it is our belief that children enter our school as students and leave GAVPAA STEM as **ACHIEVERS**. We believe, “**ACHIEVERS** are the architects of their own destinies.” At GAVPAA STEM, **ACHIEVERS** are given a reimagined education where barriers are non-existent. **ACHIEVERS** are guided to design a personalized learning experience based on their talents and interests. No longer will children have to choose between The Arts or STEM.

GAVPAA STEM is the result of bold thinking and undeniable perseverance. The Dream Team (Administration & Staff) is focused on “flipping education” by doing school differently, as the current system has not provided generations of our children equitable outcomes.

We believe both STEM and the ARTS are vital to our **ACHIEVERS** intellectual, academic, and professional growth. Like Marcus Garvey, GAVPAA STEM understands that a “people without the knowledge of their past history, origin, and culture is like a tree without roots,” they won’t grow. Therefore, we will build a foundation enriched with legacy, tolerance, leadership, justice, and equity. Our **ACHIEVERS** will explore and discover themselves, their culture and the world around them, through both an Artistic and STEM perspective.

The success of GAVPAA STEM is not possible without YOU, our “Founding Families”, and your steadfast commitment to GAVPAA STEM in all areas- academics, social emotional well-being, fundraising, and GAVPAA STEM’s overall excellence. WE ARE WHO WE’VE BEEN WAITING FOR. I look forward to the work and unforgettable memories that lie ahead as we continue THE MARATHON!!

Welcome to the Solution,

Mrs. Gilmore
