

## **Rodney Gilmore- Director of Social & Emotional Learning**

Rodney Gilmore is a Mental Health School Psychologist who works with the Beaumont Unified School District to coordinate and facilitate services for students with severe mental health needs. With over a decade of experience in the Education field, Rodney believes that a student's social and emotional needs are equally important to their cognitive abilities and academic achievements when developing effective strategies to enrich their overall educational experience. Rodney has developed Educational Related Mental Health Services evaluations, as well as Alternative Assessments procedures for diverse populations, throughout Riverside County.

Rodney is a credentialed School Psychologist that is trained in the National Association of School Psychologist PREPaRE program, Boys Town Social Skills curriculum and numerous Riverside County Special Education Local Plan Area's behavior intervention programs.

He assists his wife with the vision for GAVPAA STEM. He is an unofficial co-founder, as he gives her all of the credit. Together, they are an educational justice duo that pride's themselves on being the example. They are parents of three amazing children. Rodney is a supportive husband of his wife's dream of opening this long awaited school.

Mr. Gilmore holds a PPS credential, MA in Educational Psychology and an Ed.S degree in Psychology from Azusa Pacific University.
